

Stuart, Hon. Charles Allan

Sept 1914 - May 1915

September 21st, 1914

Hon. Mr. Justice Stuart,

Calgary.

My dear Judge:

I have a letter from the Secretary of the International Irrigation Congress which is to be held in Calgary from October 5th to 9th, in which he asks me to appoint delegates to represent our University at that Congress. I do not know the extent and importance of the Congress, but if it will serve to make it a success I shall be glad to nominate as he suggests local delegates from our Alumni. It has occurred to me that you would know what we should do in the circumstances. Would you, yourself, be willing to act? And, if not, would you suggest names from our Alumni who would have an interest in the proceedings? The Secretary is Arthur Hooker, Esq., 3 Board of Trade Building, Calgary, Alberta.

I suppose that in Calgary you are feeling as we are the effects of the war, though it seems impossible now to tell the direction or extent we shall be affected during the coming session.

With kind regards, I am,

Yours sincerely,

President.

October 5th, 1914

Mr. Justice Stuart,  
Supreme Court,  
Calgary.

Dear Mr. Justice Stuart:

Many thanks  
for your letter. If you will kindly  
act for us yourself on the Irrigation Congress  
I shall be much indebted to you.

With kind regards,

I am,

Yours sincerely,

President.

April 21st, 1915

Honourable Mr. Justice C. A. Stuart,

Calgary.

My dear Mr. Justice:

I am glad to know that you will accept the degree of LL.D. though I regret that possibly you may not be able to be with us on the 21st of May. The only ordinary Convocation at which the LL.D. is given is held once a year, when the degrees are given at the close of the session. There is no convocation in the autumn. That was, I am informed, the old College Convocation. Of course if you cannot be with us this year you must postpone coming for the degree until next year, though we should like to have you with us now.

I am,

Yours sincerely,

President.

May 8th, 1915.

Hon. Justice C. A. Stuart,

Calgary, Alta.

Dear Mr. Justice Stuart:

There will be a room in the Faculty Residence placed at your disposal if you wish to use it while you are in Toronto. May I ask you to make no engagement for Friday at one o'clock, as I wish at that hour to have those who are to receive honorary degrees take luncheon with me?

The hood for the LL.D. will be provided for you by the University.

With kind regards, I am,

Yours sincerely,

President.
